

رونكس[®]
الهند 

Ronux today is a name synonymous with success and accomplishment in International Garments Industries. Ronux has come a long way. This journey is a complete testimony to the clarity of vision and the quantum of energy that propels the company. The various departments of the company are coordinated in such a way that optimum efficiency is obtained. Product Development is the real strength of the company.

An excellent product development system, managed by a creative team of professional vouches for that. We have a very creative design team capable of providing design inputs by constantly monitoring worldwide requirements. We produce quality garments that can guarantee complete customer satisfaction. We have a very good team of professionals who create the right and high quality product that the customer requires and deliver it at the right time, supported by a good communication and technological system. Above all we are always close to the market and keep ourselves updated with right fashion, product and Hi-street requirements.

PRODUCTS
